Mutoh Wins Four Product of the Year Awards at 2018 SGIA Expo

Mutoh ValueJet 1624X, 2638X, 1638UH and 626UF all take home awards.

SEPTEMBER 2018 – LAS VEGAS – Mutoh America, Inc., an industry leader in wide-format printers, was recently honored with the Specialty Graphic Imaging Association’s (SGIA) Product of the Year award for the **ValueJet 1624X – 64 inch printer in the Solvent or Latex Ink Under 80”** category, the **ValueJet 2638X – 104 inch printer in the Solvent or Latex Ink Over 80”** category, the **ValueJet 1638UH – 64 inch UV-LED hybrid printer in the “Flatbed/Hybrid Under \$100k”** and **ValueJet 626UF UV/LED flatbed in the “Tabletop Flatbed – industrial small item decoration”** category. The competition recognizes the latest equipment and supplies currently on the market that are advancing the industry.

“I’m proud that we won product of the year again making it six years in a row,” said Brian Phipps, president of Mutoh America, Inc. “It proves once again that Mutoh’s proprietary Smart Printing Technology in our ValueJet wide format printers are second to none making them best in class.”

Visit Mutoh’s booth at SGIA in Las Vegas, booth number 900 to see the award winning printers in action.

“The competition is bigger than ever, and with the additional 19 categories it encompasses even more of the industry. You will want to visit the Golden Image/Product of the Year Gallery at the Expo so you can see all of the entries for yourself,” said Ray Weiss, Director of Digital Print Programs, SGIA.

The Golden Image/Product of the Year Gallery can be found in Hall C2 at the back of the show floor in the Las Vegas Convention Center. Winners will receive their Product of the Year jewels at a special presentation the evening before the 2018 SGIA Expo (Las Vegas, October 18–20) opens.
