### Sign Supply Exhibits at FESPA Brazil, Booth 411

*Showcasing Mutoh ValueJets; RJ-900X, VJ1638WX, & VJ1604WX*

**March, 2016 – São Paulo** – Sign Supply and Mutoh America, Inc., a leading manufacturer of wide-format inkjet printers and cutters, have teamed up to showcase ValueJet wide-format printers at the 2016 FESPA Brazil trade show from April 6<sup>th</sup> through 9<sup>th</sup>. Sign Supply will be located at booth 411 in the Expo Center Norte, promoting Mutoh's latest products and technological innovations. Products shown in the Sign Supply booth include: The RJ-900X, ValueJet 1638WX and ValueJet 1604WX. Be sure to stop by to see these exciting printers in action.

**The ValueJet RJ-900X** is a versatile 42" printer with superior paper handling capabilities that is ideally suited to print dye-sublimation applications such as custom t-shirts, apparel, flags or even promotional and personalized items.

**The ValueJet 1638WX** 64" dye-sublimation printer is built for production. With its staggered dual print head design it is capable of print speeds over 1,000sqft/hr making it one of the fastest dye-sublimation printers in its class.

**The ValueJet 1604WX** is newly introduced and is a value priced 64" dye-sublimation printer that packs a lot of punch for the dollar.

#### **Other Products Available from Mutoh through Sign Supply**

Mutoh's 19" UV-LED printer let you create custom tiles, backsplashes, artwork and more. The ValueJet 426UF tabletop printer is perfect for creating these applications in small sizes. It is equipped to print with CMYK, white and varnish ink so you can print on different colors and with added textures.

Mutoh's line of ValueJet "W" series dye-sublimation printers are perfect for high-production dye-sublimation applications. Create pillows, blankets, curtains, custom mugs plates and gifts. Mutoh's line-up of wide-format dye-sublimation printers range in size from 42" to 104" wide and feature outstanding performance at a competitive price. Designed with advanced features like an easy to navigate control panel and simple operation, the learning curve is short so you can focus on customers and profits.
