
For Immediate Release in the U.S. and Canada

Mutoh America, Inc. Exhibits at Graph Expo 2015

showcasing new UV-LED and Eco-Ultra products, booth 4241

Septemeber, 2015 – Chicago – Mutoh America, Inc., a leading manufacturer of wide-format inkjet printers and cutters, will showcase at the Graph Expo trade show from September 13th through 16th. Mutoh will be located at booth 4241 and the InkJet Candy Store (booth 3040) in the McCormick Convention Center, promoting its latest products and technological innovations.

New Products

Meet metallic with Mutoh's new ValueJet 1628X and 628X printers. Mutoh's latest Eco-Ultra printers feature CMYK plus white and metallic color capabilities. Available in a 64" and 24" size, the latest printers include blazing fast print speeds and are perfect for label, vehicle wrap and signage applications.

Mutoh will also be demonstrating print solutions on the new ValueJet 426UF UV-LED tabletop printer. Small in size, this 19 x 13 inch machine prints with CMYK with white and varnish capabilities on virtually any substrate up to 2.75 inches thick. Perfect for printing on promotional and personalized items such as golf balls, phone cases, pens, luggage tags and more.

The new ValueJet 1626UH - 64" UV-LED hybrid printer prints on both rigid and roll substrates, with CMYK plus white and varnish ink, up to a half inch thick. Perfect for any sign shop looking to expand applications, increase production and save floor space. Print packaging prototypes, trade show graphics, POP signage, yard signs and indoor signage. The VJ1626UH will be shown at the InkJet Candy Store, booth 3040.

Partnerships

Mutoh is teaming up with Fresh Artists to bring you one-of-a-kind artwork from young artists. Because of sponsors like Mutoh America, nonprofit Fresh Artists is able to empower children (K-12) by widely exhibiting children's artwork in highly visible places and by providing art supplies and programs to severely under-resourced public schools.

As a proud sponsor and partner of the Printerverse (booth 3867) attendees and exhibitors are welcome to partake in theatre sessions, International Print Day, the Print Production Professional Group, Girls Who Print day, panel discussions and many more ways to connect with the growing and highly influential online print community.
