**PHOENIX, July 12, 2021** – MUTOH America, a leader in wide-format inkjet printers, cutters and inks, is excited to announce the release of their new exclusive training tool, the StartRight™ Kit. This kit features Project Application Guides for the XpertJet 661UF UV-LED printer, including lessons, video instruction, sample output, blanks and a sample JIG with inserts. These materials offer users the opportunity to quickly get their units up and running and add creative, textured signage capabilities to their shops. Instruction on using FlexiSIGN & Print Mutoh Edition 19 and its presets also are included in the kit, as well as a USB with course documents and online instruction modules.
