MUTOH Eco-Solvent MS41 Orange Ink Delivers Vivid and Rich Color

MUTOH's Orange MS41 Ink significantly expands the yellow to magenta color gamut, resulting in richer, more complex and natural skin tones and vivid output of images. This new ink opens up new product opportunities and increases

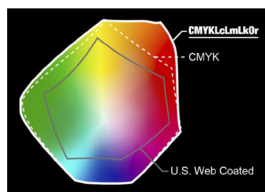

the color output capabilities of MUTOH printers. It is ideal for wraps, signage, banners, window vinyl and decals. MS41 Orange Ink is an available option for MUTOH's XpertJet 1682SR printer and is packaged in 300ml bags.
